

### SB 2710 Chewing Gum Remover

SB 2710 Chewing Gum Remover is a concentrated solvent and emulsifier that has proven effective in the removal of chewing gum, rubber tire marks as well as oil and grease spots left behind on concrete. The SB 2710 is made from natural solvents that are biodegradable. Application of the product to the affected areas will result in the softening of the residue allowing for removal with a pressure washer leaving a pleasant orange odor. SB 2710 is an excellent solvent and can also be used to remove thermoplastic solvent borne acrylic sealers from concrete.

#### **Preparation**

Scraping of heavy or new gum deposits prior to application of the product may prove helpful.

#### **Dilution and Coverage**

Dilution: Product used undiluted for gum/stain removal -- test application recommended. Product can be diluted up to 10 parts water to 1 part product to remove grease or oil from concrete.

Coverage: Dependent upon substrate and other conditions

#### **Application**

Using a solvent resistant sprayer apply the product directly on and around the chewing gum deposit. Allow the application to remain on the surface for 10 minutes then rinse with high pressure water. In cool weather, the use of a steam cleaner will prove helpful. If using to remove grease or oil from concrete, the product may be diluted with up to 10 parts water.

Do not use in the close proximity of pedestrians and vehicles. Protect all non-masonry surfaces from contact with the cleaner. SB 2710 contains a natural solvent that can soften many paints, sealers, plastics and vinyl siding. Test on an inconspicuous place if attempting to use on or near any plastic, painted, or sealed surface.

#### **Technical Data**

Appearance: Orange Liquid	pH: 7
Biodegradable: Yes	Rinsing: Complete
Flash Point: 115 F	Solubility: 100%
Foaming: Moderate	Stability: Good
Odor: Strong Citrus	Wetting Ability: Excellent

#### **Safety**

Flammable liquid and vapor. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye damage.

**DANGER**

Refer to product SDS or product label for hazard statements, precautionary statements and safety information

#### **Warranty**

Shore Corporation warrants that this product conforms to the chemical composition described in the Product Label. SHORE CORPORATION EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Shore Corporation shall not be responsible for any direct or consequential damages sustained as a result of the use of this product. Further, Shore Corporation shall not be liable for personal injuries, property damage or any other damages as a result of the use of this product, the sole responsibility of Shore Corporation under the within WARRANTY being the replacement of any nonconforming product. Acceptance and use of this product absolves Shore Corporation from any other such liability whatsoever and from whatever source. The within WARRANTY may not be modified or extended by Shore Corporation representatives or distributors, neither of which are empowered to make any product representation inconsistent with the terms hereof.
